Experience racehorse ownership with Pimlico Racing

Pimlico Racing gives racing enthusiasts the chance to take a share in a National Hunt horse with real potential, in training with a top trainer, without the cost or commitment of outright ownership.

Our first three horses to run all won, and Zoffany Bay got us off to a flying start when landing a €100,000 Listed race in March 2021. The winners have kept coming since, including a Cheltenham winner with Zurich.

Whether it's your first share or you're adding to your string, you'll be right in the thick of it: news from the yard, days out with fellow owners and a badge every time your horse runs. The thrill of seeing your colours in front at the last never gets old.

Why owners choose Pimlico Racing

→ **Proven success.** A management team with over 175 winners and more than £2.5 million in prize-money.

→ **We buy the horse first.** We back our own judgement, then invite owners to share in it. Quality over quantity.

→ **Horses with leading trainers.** Some of the most respected names in jump racing, in Ireland and the UK.

→ **More than just ownership.** Stable visits, club events, owners' badges, race days and updates from the yard.

→ **Financial transparency.** A detailed annual statement, 100% of your share of prize-money and any unused funds returned.

Our French connection

Irish trainers are renowned worldwide for producing top-class National Hunt horses, and many of the stars they develop started out in France. Young French jumpers are schooled and raced early, so there is real form to go on when you buy.

That is where Pimlico has an edge. Our co-Manager, Nathaniel Barnett, is a bloodstock agent whose work is focused on France, at the sales and on the racecourse, giving our owners knowledge of the French market that few syndicates can match.

Horses Nathaniel has bought have won over 400 races, including the 2022 Coral Gold Cup with Le Milos. In 2025 alone he had winners on Arc weekend at ParisLongchamp, French Gold Cup day and in Listed company at Auteuil.

> *"France is where I do most of my buying, and we have enjoyed a lot of success from there with our Pimlico horses."*

What our owners say

"I'd never owned a horse before and didn't know what to expect. From the first stable visit we were made to feel part of the Pimlico team, and seeing our colours go past the post first is something I'll never forget."

D.N.

"It's the people as much as the horses. We've made great friends through Pimlico and always look forward to a raceday or a morning at the yard."

J.T.

"A Cheltenham winner was right at the top of my bucket list. I still can't quite believe it!"
